

A Message from the President of Lincoln University, California, US

I am pleased to announce our collaboration with CT University, Ludhiana, India where CT University students shall be able to strengthen their educational experience and better serve the management industry by gaining additional knowledge and skills through this association.

By selecting Lincoln University, you are choosing an education that will make possible a life full of opportunities and will give you the skills to gain greater control over your own destiny. I'd like to personally welcome you aboard and Congratulate you on making this important decision. Lincoln University is a unique institution of higher learning, where educational excellence, professional know-how, and up-to-date international standards are combined with individual

attention and a friendly atmosphere, giving rise to a world-class education.

At Lincoln, we pride ourselves both on the quality of our education and its relevance in today's professional world. Each program within the university is designed to ensure that all of the acquired knowledge and skills will be valuable to its graduates, providing a practical and solid foundation for the student's future. We make sure that every part of our students' education serves a purpose and brings them closer to accomplishing their professional goals.

Since its founding in 1919, around the same time as many of America's top schools, the university has chosen to deliver the best, custom-fit education to the select few, rather than provide the widest range of subjects and cater to the widest possible audience. Lincoln begins with a highly competent faculty and the most useful educational programs, and mentors each student all the way to graduation. Our students' success proves that we make the right choices.

A multicultural student body and faculty make Lincoln a truly global school. Located in a powerful international hub – the San Francisco Bay Area, it provides a multitude of invaluable learning opportunities. A successful career in the 21st century requires a deep understanding of international relations and the impact of globalization, Lincoln is well positioned to give its students such a competitive

advantage in professional fields
worldwide.

I invite you to discover for yourself the
unique character of Lincoln University.
Our excellent and rigorous curriculum,
outstanding faculty and convenient
facilities provide all the necessary

components to ensure our students' path to
a successful future.
